

SPOTLIGHT ON YOUTH

Sloan Brunson

**Congratulations, Sloan!
You are Teen of the Month
for October 2013.**

Sloan Brunson (pictured here) is a junior this year. She is enrolled in a Home School program and she's taking courses at St. John's State College. She is one of our most outstanding teen attorneys. She performs well under pressure as either a teen defense attorney or teen prosecuting attorney. In addition to being a dedicated teen attorney she participated in our last two mock trial competitions that were held at the courthouse in Green Cove Springs. Sloan earned the silver medal at Awards Night 2013 for the Most Outstanding Prosecuting Attorney.

She has a part-time job and is active in her youth group. You see, Sloan is a shining example of today's youth.

Thank you Sloan!
